## Job Description- Asphalt Laborer

Seeking a reliable, conscientious, and hard-working team member. Learn the trade; work alongside experienced crew leaders.

This job can be physically demanding; however, every project is unique, and the work is interesting. Majority of work is subject to weather conditions. Job sites span Cleveland, OH to Pittsburgh, PA.

### Regular Roles & Responsibilities:

- Rake, sweep and shovel to prepare asphalt areas.
- Work alongside skid steers, rollers, milling equipment and pavers.
- Pour, smooth and set asphalt on roads, drives, and parking lots.
- Load, transport, unload materials, tools, equipment, and supplies.
- Assist with flagging and traffic control.
- Clean work (shop) area and restock supplies and materials as necessary.
- Perform other routine duties as directed by Foreman.

### Other Important Notes:

- One-year previous experience in asphalt work or vigorous, related contracting work required (roofing, cement work).
- Military experienced candidates are encouraged to apply.
- This job is a good fit for applicants with gaps in their resume, or who have been out of the workforce for the past 6 months or more.
- Hourly wage is above average in our market.
- Valid driver's license and reliable transportation required.

Job Type: Full-time

Salary: Starting at \$18.00 per hour

Schedule varies by day/week. Day work only:

- 10 hour shift
- 12 hour shift
- 8 hour shift
- Holidays
- Overtime
- Weekend work required
